

Sprint Backlog - Iteration 8	https://docs.google.com/spreadshe	Multimedia Services		Team: The First Order				
User Story	Task	Member respon	Assigned to	Effort	Priority	Type	Teamlid	Uren
Sprint planning	Create sprint plan	Ruben	Ruben	2	B	Documentation	Chris	20
As a team, we want to have a good overview of tasks that need to be done and we want to reflect on work from previous sprints to improve.	Create sprint retro	Ruben	Ruben	2	B		Christian	20
							Hung	20
							Martin	20
							Ruben	20
Product architecture	Keep architecture doc up-to-date	Hung	Hung	3	B			
As a user, I want to be able to see the big picture of the software, so I know how to implement new functionality.								
Final report	Work on draft	Ruben	Ruben	5	A			
As a user, I want to know what is in the final product and how this satisfies my needs and the product vision of the team.			Martin	4				
			Chris	4				
			Hung	1				
Pull requests	Handle pull requests	Ruben	Ruben	4	B	Code quality		
As a developer, I want my code to work correctly and I want others to know about and comment on my code.			Hung	4				
			Chris	4				
			Christian	4				
			Martin	4				
Testing	Increase testing coverage to 85-90	Hung	Hung	4	C			
As a developer and user, I want to trust my code and know that all parts function, even after a change was made.			Martin	3	C			
Live mode	Improve concurrency control	Christian	Christian	4	B	Features		
As a score reader, I want to be able to control the live mode for all others on one device, so the workflow is synchronised.	Select camera to view live mode	Christian	Christian	5	A			
	Select correct cues by project	Christian	Christian	4	B			
Scripting	Add scroll interaction to timeline	Hung	Hung	5	A			
As a user, I want to be able to mouse over the timeline and see a preview in the map, so I can visualize the script and.			Ruben	3				
Score view	Upload score	Chris	Chris	4	C			
As a user, I want to view the score in my scripting view, so I can see where my cues will be placed.	Show score in script page	Martin	Martin	5	C			
			Chris	4				

Map editor	Improve information in map editor	Christian	Christian	3	D			
As a user, I want to see useful information in the map editor and have a good looking layout, so I can work	Improve design in map editor	Christian	Christian	2	E			
Use tips	Add descriptions	Hung	Hung	3	E			
As a user, I want the software to guide my steps in using the software, so I can start quickly.								
User testing and feedback	Set up user testing	Ruben	Ruben	2	A	Feedback		
As a developer, I want to gather feedback from the client and normal users to know if the product satisfies their needs and is easy to use, so my product is well received and satisfies a need.	Run user test	Martin	Martin	4	A			
			Chris	2
